Expanded Outdoor Living Space

It is no secret, we all want to utilize our open outdoor living space more often and more effectively. By choosing a motorized exterior screen, you are making a lifestyle decision. Mystic Motorized Screens & Shades will immediately increase the size of your family's living space. Keeps the bugs out during warmer months. Allows the breeze through during cooler ones. To various degree, Mystic fabrics block harmful UV rays. Mystic solar fabrics reduce cooling costs by blocking heat and UV rays. Mystic clear vinyl screens are ideal for cold climates. With the click of a button, you can now entertain outside in an airy, pest-free environment.

Custom Built To Your Needs

No matter what your needs are, Mystic Motorized Screens & Shades are custom built to your specifications. Pick your frame color, fabric type & color, and mounting option.

Residential

- Garages
- Porches & Gazebos
- Lanais
- Any Large Opening

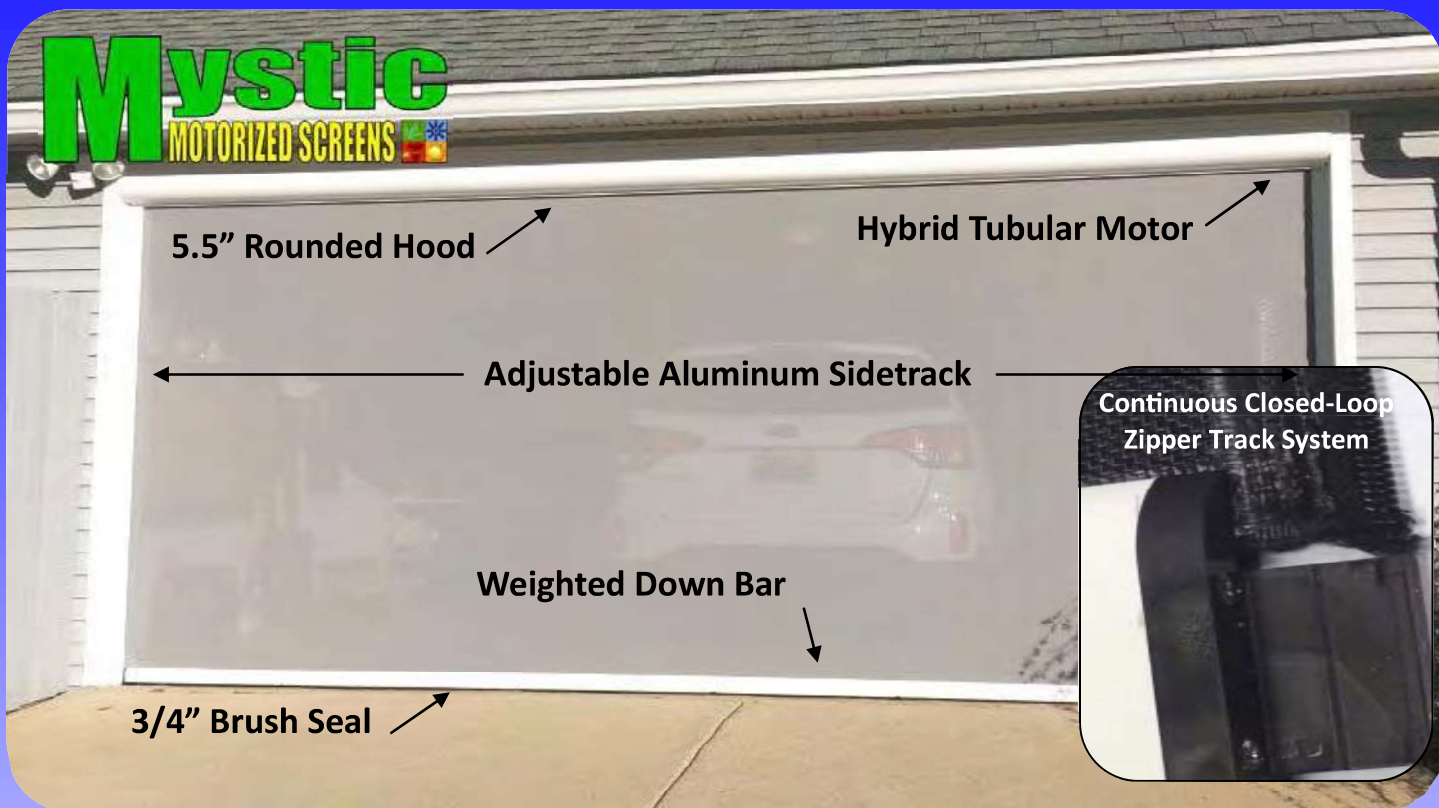

Commercial:

- Restaurants & Bars
- Pavillions
- Warehouses

Architectural Drawings Available on demand.

Mystic Screens are available with clear vinyl for keeping out the cold. As shown above

Mystic Screens use an ultra-sonic welded zipper captured in a continuous closed-loop track system. This makes Mystic better suited for use in windier conditions than competing screen systems.
